## The State Music Conference

### Concert Performance Application

In 2009 SDMEA began the state music conference to:

- bring several SDMEA events together in one location on one weekend
- combine resources allowing us to bring the best in music education to present sessions relevant to educators in all content area and grade levels
- bring our state organization congruent with other states in our division (MN, IA, ND, NE, WY) whose conferences are held in conjunction with their All-State events.

The CD's will be reviewed by a committee of five including SDMEA President, Past President, President Elect and Convention Chair. All applicants will be notified whether they have been successful or unsuccessful.

Please be aware that if accepted, you must limit your concert program to no more than **25 minutes** of music. The entire presentation, including speaking, must not exceed 30 minutes.
